

## **Renovation, Repair and Painting Initial Course (RRP)**

This 1-day course is required for those doing renovation, repair and painting work in pre-1978 housing.

**Wednesday  
March 30 2011  
8:00am-4:30pm**

**Bath Career Center  
Room C  
Wing Farm  
Parkway, Bath**

**FEE: \$95/person**

Beginning **April 22, 2010**, painters, renovators and others who disturb painted surfaces in houses and child-occupied facilities built before 1978 must meet EPA lead-safe training and certification requirements.

This class includes:

- Information on lead and its health effects.
- Lead-safe work practices.
- Recordkeeping requirements.
- State and federal regulations that apply to renovation, repair and painting in pre-1978 housing.

*This course meets the training requirements of the federal Renovation, Repair and Painting Rule. Successful completion of the course allows renovators to apply for firm certification through the US EPA.*
