

2010-11 MEMBERSHIP APPLICATION

The purpose of this association shall be to act as a group, taking an active role regarding issues facing owners and managers of rental property of the Mid Coast area. This includes informing and advocating for MCAHA and MAOMA, Maine Apartment Owners & Managers, members and educating the general public regarding the interests of rental property owners and managers.

MISSION STATEMENT

The achievement of "success", in most aspects of life, is by knowledge. It is our mission to harvest and channel housing-related information to our members for them to apply and use for their "success" in rental property ownership and management.

MCAHA is a member, in good standing, of MAOMA (Maine Apartment Owners and Managers Association). We hold bi-monthly meetings the third Tuesday of every-other month, beginning in September. As a member of MAOMA, we have a lobbyist, who represents us at the State Legislature. He keeps us abreast of up-coming laws and bills. The lobbyist and a MAOMA representative have been vital in affecting the outcome of several bills. All landlords reap the fruits of MAOMA's efforts, from the final results of new laws or through the many information sharing projects. This is so very important for our survival as landlords. MCAHA has two representatives at MAOMA who bring back the news and important information to the local group.

In order of us to best serve you we need certain information to work with.
